### Wish tree action 2023

Dear Parents,

Again this year I would like to draw your attention to the Christmas Wish Tree action. The Christmas Wish Tree campaign wants to fulfil your children's desire. It is organized in cooperation with the bookstore Thalia Deutschland GmbH und Co.KG.

### What do you have to do to participate in the campaign?

**You will not yet receive a wish list with this letter.**

**I will send you a wish list by mail after you have submitted a current notice of approval from the Job Center, which must show that your minor child(ren) is/are entitled to benefits.**

**You can send me the approval notice by e-mail using the contact details listed above. Alternatively, you can also post the notice with the note "Wunschbaum-Aktion" in the mailbox at City Hall A, Uhlstraße 3.**

**Please refrain from attending in person.**

Please do this as soon as possible!

If you receive the wish list from me please enter

- the first name and age of the child and

- choose a gift with a maximum value of €15.00 with your child at the Thalia bookstore,

Markt 15, 50321 Brühl, and present it together with the wish list at the checkout.

**This must be done by 30.11.2023!**

The wish lists will be hung up in the bookstore from 01.12.2023. Then it is hoped that many donors will be found to fulfill all wishes.

Therefore, please allow me to point out already today that the wish list cannot be a binding order.

As you can see, each wish list bears a number. This enables the organization team to assign the gift to your child. In this respect, I can assure you that data protection is guaranteed, as only the staff members assigned by me can learn your full name and address. By submitting the wish list to participate in the campaign, you agree that your necessary data will be processed and stored.

**As soon as your wish has found a donor, I will notify you in writing.  
You can then pick up the gift at the latest by 23.12.2023 at the Thalia bookstore.  
To do so, you will need a pick-up slip, which is enclosed with my notification.  
The number of the pick-up slip is identical to that of the wish list. This is the only way the staff there can hand over the gift to you.**

Yours sincerely

(Freytag)
